

This Privacy Policy describes the policies and procedures of Septapod Private Limited ("we", "our" or "us") on the collection, use and disclosure of your information on the websites www.septapod.com (referred to as the "Sites") and the services, features, content or applications we offer (collectively with the Sites, the "Services"). We receive information about you from various sources, including: (i) if you register for the Sites and the Services, through your user account on the Services (your "Account"); (ii) your use of the Services generally; and (iii) from third party websites and services. When you use the Services, you are consenting to the collection, transfer, manipulation, storage, disclosure and other uses of your information as described in this Privacy Policy.

What Does This Privacy Policy Cover?

This Privacy Policy covers the treatment of personally identifiable information ("Personal Information"), and other information described in this policy, gathered when you are using or accessing the Services. This Privacy Policy also covers our treatment of any Personal Information that our business partners share with us or that we share with our business partners.

This Privacy Policy does not apply to the practices of third parties that we do not own or control, including but not limited to any third party websites, services and applications, such as Facebook ("Third Party Services") that you elect to access through the Service or to individuals that we do not manage or employ. While we attempt to facilitate access only to those Third Party Services that share our respect for your privacy, we cannot take responsibility for the content, privacy policies, or practices of those Third Party Services. We encourage you to carefully review the privacy policies of any Third Party Services you access.

What Information Do We Collect?

The information we gather enables us to personalize, improve and continue to operate the Services. In connection with certain aspects of the Services, we may request, collect, use, share, and/or display some of your Personal Information. We collect the following types of information from our users.

Account Information:

When you create an Account, you will provide information, such as your username, password and email address. You acknowledge that this information may be personal to you, and by creating an Account on the Services and providing Personal Information to us, you allow others, including us, to identify you. If you access the Services through Facebook credentials, we may automatically collect certain information, such as your name, picture, and email address. We will use all information available through Facebook in accordance with Facebook's policies and your preferences selected through Facebook. We may use your contact information to send you information about our Services, when we feel such information is important. You may unsubscribe from these messages through your Account settings, although we reserve the right to contact you even if you unsubscribe when we believe it is necessary, such as for Account recovery purposes.

User Content:

Some features of the Services allow you to provide content to the Services, such as written comments. All content submitted by you to the Services may be retained by us indefinitely, even after you terminate your account. We may continue to disclose such content to third parties, as described in this Privacy Policy.

Information Collected Automatically:

We automatically receive and record information from your device or web browser when you interact with the Services. This information may include, your IP address, an ID that we may create and associate with our content, cookie information, and other details. This information is used for fighting spam/malware, to facilitate collection of data concerning your interaction with the Services (e.g., what links you have clicked on and shared with others, including via email and social media), and to otherwise personalize, improve and continue to operate the Services.

Generally, the Services automatically collect usage information, such as the number and frequency of visitors to the Sites or mobile application. We may use this data in aggregate form, that is, as a statistical measure. This type of aggregate data enables us and third parties authorized by us to figure out how often individuals use parts of the Services so that we can analyze and improve them.

Location Data:

Some of our Services, such as mobile applications, may collect geo-location data to provide location-related functionality. We may link location data to other information we have collected about you. You may stop sharing your location data by adjusting your mobile device's location services settings. For instruction on changing the relevant settings, please contact your service provider or device manufacturer.

Email Communications:

We may receive a confirmation when you open an email from us. We use this confirmation to improve our Services, including customer service.

Information Collected Using Cookies:

Cookies are pieces of text that may be provided to your computer through your web browser when you access a website. Your browser stores cookies in a manner associated with each website you visit. We use cookies to enable our servers to recognize your web browser and tell us how and when you visit the Sites, share our content, and otherwise use the Services through the Internet.

We may use cookies and other automated data collection means to identify that your web browser has accessed aspects of the Services and may associate that information with your Account if you have one, the device you use to connect to the Services, or email or social media accounts that you use to share our content.

Most browsers have an option for turning off the cookie feature, which will prevent your browser from accepting new cookies, as well as allowing you to decide on acceptance of each new cookie in a variety of ways.

Aggregate Information:

We collect statistical information about how both unregistered and registered users, collectively, use the Services ("Aggregate Information"). Some of this information is derived from Personal Information.

How, and With Whom, Is My Information Shared?

The Services are designed to help you share information with others. As a result, some of the information generated through the Services is shared publicly or with third parties.

Public Information about Your Activity on the Services:

Some of your activity on and through the Services is public by default. This may include, but is not limited to, content you have posted or shared publicly on the Sites or otherwise through the Services, such as written posts, comments, or other submissions by you to the Sites.

Registered users may have some of this information associated with their Accounts. In addition, Information concerning the use of the Services (such as what pages they have visited) by unregistered users may be tracked through the use of cookies and other automated data collection means, and stored by us.

Please also remember that by choosing to provide Personal Information using certain public features of the Services, you make your information publicly available. User reading such information may use or disclose it to other individuals or entities without our control and without your knowledge, and search engines may index that information. We therefore urge you to think carefully about including any specific information you may deem private in content that you create or information that you submit through the Services.

IP Address Information:

While we collect and store IP address information, that information is not made public. We do at times, however, share this information with our partners, service providers and other entities with whom we conduct business, and as otherwise specified in this Privacy Policy.

Aggregate Information:

We share Aggregate Information with our partners, service providers and other persons with whom we conduct business. We share this type of statistical data so that our partners can understand how and how often people use our Services and their services or websites, which facilitates improving both their services and how our Services interface with them. In addition, these third parties may share with us information about you that they have independently developed or acquired.

Email Communications with Us:

As part of the Services, you may occasionally receive email and other communications from us, such as communications relating to your Account. Communications relating to your Account will be sent for purposes important to the Services, such as password recovery. We may use your email address to contact you for editorial purposes, to advise you of any changes to our Sites, and to send you messages about our marketing partners' products. You may choose not to receive our marketing emails by clicking on the unsubscribe link in the emails you receive from us. Please note that even if you opt out, we may continue sending you service-related information.

User Profile Information:

User profile information including your username and other information you enter may be displayed to other users to facilitate user interaction within the Services. We will not reveal user email addresses to other users of the Sites.

Information Disclosed Pursuant to Business Transfers:

In some cases, we may choose to buy or sell assets. In these types of transactions, user information, including Personal Information, is typically one of the transferred business assets. Moreover, if we, or substantially all of our assets, were acquired, or if we go out of business or enter bankruptcy, user information would be one of the assets that is transferred or acquired by a third party. You acknowledge that such transfers may occur. Following the transfer of user information in the circumstances described in this paragraph, all inquiries concerning the processing of user information should be directed to the entity to which the information is transferred.

Information Disclosed for Our Protection and the Protection of Others:

We also reserve the right to access, read, preserve, and disclose any information as it reasonably believes is necessary to (i) satisfy any applicable law, regulation, legal process or governmental request, (ii) enforce our Terms of Service, including investigation of potential violations hereof, (iii) detect, prevent, or otherwise address fraud, security or technical issues, (iv) respond to user support requests, or (v) protect our rights, property or safety, our users and the public. This includes exchanging information with other companies and organizations for fraud protection and spam/malware prevention.

Information We Share with Your Consent:

In addition to the types of sharing Personal Information described above, we may share your information with third parties with your consent, by notifying you of the sharing and giving you the opportunity to prevent the sharing of your information.

Is Information About Me Secure?

Your Account information will be protected by a password for your privacy and security. You need to help prevent unauthorized access to your Account and Personal Information by selecting and protecting your password appropriately and limiting access to your computer and browser by signing off after you have finished accessing your Account.

We seek to protect Account information to ensure that it is kept private; however, we cannot guarantee the security of any Account information. Unauthorized entry or use, hardware or software failure, and other factors, may compromise the security of user information at any time.

We otherwise store all of our information, including your IP address information, using techniques reasonably designed to secure the information. We do not guarantee or warrant that such techniques will prevent unauthorized access to information about you that we store, Personal Information or otherwise.

What Information of Mine Can I Access?

If you are a registered user, you can access information associated with your Account by logging into the Services. Registered and unregistered users can access and delete cookies through their web browser settings.

What Choices Do I Have Regarding My Information?

The Privacy Policy also explains the privacy choices you have when using the Services, including with respect to cookies, marketing emails, targeted advertising, location data and the sharing of your information by Us.

You can use many of the features of the Services without registering, thereby limiting the types of Personal Information that we collect.

You can delete your Account. Please note that we will need to verify that you have the authority to delete the Account, and activity generated prior to deletion will remain stored by us and may be publicly accessible. Should you ever decide to delete your Account, you may do so by emailing info@septapod.com.

What Happens When There Are Changes to this Privacy Policy?

We may amend this Privacy Policy from time to time. Use of information we collect now is subject to the Privacy Policy in effect at the time such information is used. If we make changes in the way we collect or use information, we will notify you by posting an announcement on the Services or sending you an email. A user is bound by any changes to the Privacy Policy when he or she uses the Services after such changes have been first posted.

What If I Have Questions or Concerns?

If you have any questions or concerns regarding privacy using the Services, please send us a detailed message to info@septapod.com.
